Klong Nin Beach

Small-sized beach with local small tree called "Lam Jieak" different from other beach. Sand beach with some small rocks, suite for swimming, but some parts in the sea are quite steeper. Not so crowded, and near Laem Tanode and Tham Khao Mai Kaew. Klong Nin Beach has a variety of small local bars with simple decorations and warm atmosphere. Resorts offering bungalows are scattered up and down the beach, ranging from simple, inexpensive family accommodation to more upscale pool and spa resorts.
